ABOUT ME

I'm a passionate **MERN-Stack Developer** skilled in **C, C++, Python, HTML, CSS, JavaScript, React, and Next.js**. I enjoy building responsive, user-friendly applications and solving complex problems. Adaptable and eager to learn, I aim to contribute creativity and technical expertise to impactful projects.

COURSEWORK

- Object Oriented Programming
- Data Structures & Algorithms
- Computer Networks
- Software Development
- Database Management System

SKILLS

- Problem Solving
- Team Collaboration
- Communication
- Critical Thinking
- Time Management

LANGUAGE

- C, C++, C#
- Python
- Java
- SQL
- PHP
- Javascript

OTHER TOOLS

- Git & GitHub
- Postman
- Firebase
- Cloudinary
- TailwindCSS
- Bootstrap

EXPERIENCE

- **React.js & JavaScript Intern**
  H and B Institute, Gandhinagar — 2024
  - Gained hands-on experience in building responsive and interactive web applications using React.js and JavaScript.
  - Worked on developing user-friendly interfaces, improving performance, and enhancing the overall user experience.

- **Python Intern**
  Prakshal Institute, Gandhinagar — 2023
  - Learned and applied Python programming in solving real-world problems and developing small-scale projects.
  - Strengthened problem-solving skills while working with core Python concepts, data handling, and automation scripts.

PROJECT EXPERIENCE

- **Tomato – Online Food Ordering WebApp** 🔗
  (React, Node.js, MongoDB, Express, JWT)
  - Designed and developed a full-stack food ordering platform.
  - Implemented user authentication, cart management, and order tracking.
  - Created an admin panel for restaurant and menu management.

- **Snappytalk – Real-Time Chatting App** 🔗
  (React, Node.js, Socket.io, MongoDB)
  - Built a real-time chat application with private messaging.
  - Added online status indicators for better user interaction.
  - Developed a responsive UI for seamless cross-device communication.

EDUCATION

- **Bachelor of Technology - Computer Engineering**

  SAL Engineering and Technical Institute
  Gujarat Technological University
  2025 - 2028   (Current)

- **Diploma – Computer Engineering**

  VPMP Polytechnic - Gandhinagar
  Gujarat Technological University
  2022 - 2025   CGPA:8.73
